## **ABOUT CAMP ICHTHUS**

Located in the Lower Pocono Mountains, Camp Ichthus is tucked away in a beautiful spot. The Camp is situated on approximately 90 acres of land with open fields, wooded areas, creeks and a pond to swim in or catch fish. The camp was founded in 1954 and the first part of the camp to be built was the outdoor chapel, establishing the foundation for Christian Camping.

With plenty of room to run - campers have the opportunity to play field games, volleyball, kickball, learn to climb the climbing tower, learn about nature and just simply have a great time in the outdoors.

The camp week program is built around a Bible passage and is shared daily through morning Bible lessons and evening chapel. Our goal is to help each camper discover how awesome it is to know our Creator God personally. The camp offers summer programs for K-Age 17.
